NARI Code of Ethics

- Promoting in good faith only those products and services which are known to be functionally and economically sound, and which are known to be consistent with objective standards of health and safety.
- Making all advertising and sales promotion factually accurate, avoiding those practices which tend to mislead or deceive the customer.
- Writing all contracts and warranties such that they comply with federal, state, and local laws.
- Promptly acknowledging and taking appropriate action on all customer complaints.
- Refraining from any act intended to restrain trade or suppress competition.
- Obtaining and retaining insurance as required by federal, state, and local authorities.
- Obtaining and retaining licensing and/or registration as required by federal, state, and local authorities.
- Taking appropriate action to preserve the health and safety of employees, trade contractors and clients.

Complaints filed against members of the Association will be processed per the chapters Grievance Procedure and reviewed by the By-Laws and Ethics Committee Chair and Committee. Submission of this application acknowledges that you have read, understand and agree to follow the NARI Code of Ethics. I hereby consent to receive communications sent by NARI via regular and email or telephone. I hereby confirm that all information contained herein is true and correct, to the best of my knowledge:
